

Did'ja Know?

Scientists think that the good habits we set when we're still young stay with us for all our lives. That's why it's important to do good things when you're young!

Rich Man & Lazarus

Luke 16:19-31

Jesus told a story. "Once there were two men. Lazarus was very poor. Micah was very rich. Micah saw Lazarus every day, but he didn't notice how sad Lazarus was. He didn't care about anyone but himself.

Soon both men died. Lazarus went to heaven to be with God. Micah was punished for what he did. He didn't get to be with God. He was very, very sad.

Micah said, 'My brothers are selfish like me. Can you send Lazarus to tell them to change?'

God answered, 'Even if Lazarus came back to life, it wouldn't change your brothers. They have to want to change.'

Jesus finished the story. "No one is perfect. But anyone can change. Ask God for help, and you can learn to love God and your neighbor more and more."

Change

Changing bad habits to good starts with just doing the good habits, over and over!
